

## What to do

Step1	step1. Please write the name, affiliation, nation, and where possible with ORCID of all authors here on page 1.
Step2	Write the name of corresponding author on page1.
Step3	Write the title of the paper on page2 (section 2.1).
Step4	Write the name of corresponding author on page9.
Step5	Handwrite the date and signature on page9 and 10.
Step6	Scan all pages into a PDF file and submit it via Confit before the deadline

step1. Please write the name, affiliation, nation, and where possible with ORCID of **all authors** here on page 1.

(Example) 1. Yuji Mizuno, The Institute of Applied Energy, Japan (ORCID: 0000-0002-3871-8224) 2. John Doe, EcoDesign University, Japan

step2. Please write the name of **corresponding author** here on page 1.

This Publishing Agreement (this “**Agreement**”) has been approved by and entered into between:

[Names + Addresses of all co-authors of the chapter, including the corresponding author (where possible with ORCID)]

step1

(the “**Author**”)

whereas, in the event that the Author is more than one person, [Name of the Corresponding Author] serves as corresponding author

(the “**Corresponding Author**”)

step2

step3. Please write the **title of your paper** here on page 2 (section 2.1).

The Author will prepare a contribution provisionally titled:

**[Title of the Contribution]**  **step3**

The expression “**Contribution**” as used in this Agreement means the contribution as identified above, and includes without limitation all related material delivered to the Publisher by or on behalf of the Author whatever its media and form (including text, graphical elements, tables, videos and/or links) in all versions and editions in whole or in part.

step4. Please write the name of the **corresponding author** of the paper here on page 9.

step5. Then print it out and **handwrite the date and signature on page 9 and 10.**

Signature of Corresponding Author:

.....

← **Step5 Your signature**

[Name of Author]

← **step4**

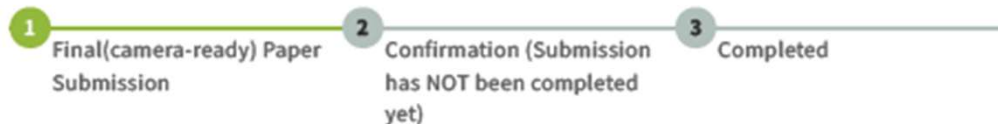

Date: 4th August 2025

.....

← **Step5 Date**

Please write the date to be filled in, as shown in this sample

step6. Finally, scan all pages into a PDF file and submit it via Confit before the deadline.

## Final(camera-ready) Paper Submission

Please upload two files required for Final(camera-ready) Paper Submission.

**[NOTE!!]** For authors submitting E-book papers, please upload three or four files, including the completed copyright transfer form required by Springer.

For authors who received a Major Revision decision, please submit your revised paper together with a detailed response to the review comments.
